PENDANTS: three

BASE: 350mm (13.8") round base

LAMPING: 1.5w LED

STEM LENGTH 0.9m (3') or 1.8m (6') long stem

MATERIALS: blown glass, black flexible cord, brass dial control, unlacquered brass or black powder coated base

WEIGHT: approximately 9kg (20lb) / 10kg (22lb)

CABLE LENGTH 2290mm (90") flexible cable

POWER SUPPLIES: integral

DESCRIPTION

The stem floor system comes in unlacquered brass or black powder coated stem with a 350mm (13.8") diameter base.

Individual 28 pendants result from a complex glass blowing technique whereby air pressure is intermittently introduced into and then removed from a glass matrix which is intermittently heated and then rapidly cooled. The result is a distorted spherical shape with a composed collection of imploded inner shapes, one of which acts as a shade for the light source.

Standard 28s are made with clear glass exterior spheres and milk white interior lamp holder cavities. 28s are possible with infinite versatility in colour compositions, sizes and shapes.

NOTES

- + Purchase replacement lamps online at www.bocci.com/shop/bulbs
- + **The brass used in our Stem Series is untreated and, as such, will develop a natural patina over time. To avoid any marking or tarnish on the brass during handling and installation, please use the gloves provided in your shipment.**
- + To maintain your fixture, please regularly dust with a lint-free cloth. If further cleaning is required, dampen a lint-free cloth with water only and wipe gently to remove dust or debris.

PRODUCT SPECIFICATION

1

Hold the stem tube from the bottom and slowly thread the stem onto the base. Stop if any force is felt and ensure the stem tube is at 90° from the base.

Note: Bocci recommends wearing thin gloves during installation to protect the stem finish and the glass surface.

2

Thread the cover cap on one end of the stem.

3

Thread the pendant mounting plate onto the stem.

4

Carefully insert provided lamp into socket.

5

Plug in the cord to the plug head.

Plug in floor light. Turn the dial to check power to lamp is working correctly.

6

Gently thread pendant onto the stem. Be sure to carefully place the pendant so as not to damage the lamp during installation.

Clean fingerprints from fixture surfaces.
