## montone chandelier oval, triangle and ceiling lamp

Every Montone makes a statement. It is extraordinary and overwhelming and completes an empty space on itself. Each montone is curled by hand with various materials like brass, stainless steel or powder coated steel. The lights are situated inside the gracious fixture, providing a fascinating effect of light. The Montone collection, designed by Jacco Maris, is available as a chandelier or ceiling lamp.

chandelier oval

6 light wxdxh **110x45x45cm**
