

Kelly Cluster,
Design by Andrea Tosetto

Model Kelly Cluster

Kelly Cluster spectacularly reinterprets the creative intuition of the family of Kelly lights in a sculptural and extremely compact sphere, mounted on a canopy and allowing multiple different compositions at will. A suspension lamp in metal, characterised by its lightness and vibrancy thanks to the unique laser cuts that create captivating plays of light and shadow, it is available in four different finishes bringing any space to life.

Kelly Cluster

Light source

LED
2700 K
7 W / 1280 lm
350 mA
