

PH 3/2 TABLE

The fixture is designed based on the principle of a reflective three-shade system, which directs the majority of the light downwards. The shades are made of mouth-blown opal three-layer glass, which is glossy on top and sandblasted matt on the underside, giving a soft and diffused light distribution.

Poul Henningsen

Poul Henningsen was born in Copenhagen by the famous Danish writer Agnes Henningsen. He never graduated as an architect, but studied at The Technical School at Frederiksberg, Denmark from 1911-14, and then at Technical College in Copenhagen from 1914-17.

American Heart Institute

Product info

Mounting

Cable type: Plastic cord with plug. Cable length: 2.1m. Light control: In-line switch on cord.

Finish

Brass metallised, black metallised or high lustre chrome plated. White opal glass.

Materials

Shades: Mouth-blown white opal glass. Top plate: Brass metallised, black metallised or high lustre chrome plated, spun brass. Base and stem: Brass metallised, black metallised or high lustre chrome plated, brass.

Sizes and weights

Width x Height x Length (mm) | 285 x 472 x 285 Max 3.0 kg

Class

Ingress protection IP20. Electric shock protection II w/o ground.

Specification notes

The innovation of light sources is ongoing. Consequently we only inform about the max. wattages. On www.louispoulsen.com we update a list of recommendable light sources.
