Table Lamps

SANTA & COLE

Gira Mini distills the essence of portable lighting into a compact design that retains the virtues of its older sibling. An ingenious ball-joint base, paired with an adjustable shade around a spherical LED core, grants complete freedom of movement, directing light precisely where it is needed. With its battery-powered mobility and dual light intensity, Gira Mini is both exacting and discreet – illuminating the relevant area without drawing attention to itself.

General description:

Rotating chrome-plated structure.

Grey metallic base.

Natural anodized aluminium orientable shade.

Lithium battery.

Switch incorporated into the luminaire with 2 intensity levels.

Range:

- 8h on high power.

- 16h on minimum power.

Cable USB-C included.

Battery charging time: 8.5h

Approximate weight (unpacked):

1,1 kg / 2.4 lb

Technical information:

Dimmable light source included

Built-in LED

Operating voltage: 3 W

CCT: 2.400 K

CRI: 90

Lifetime: 40.000 h

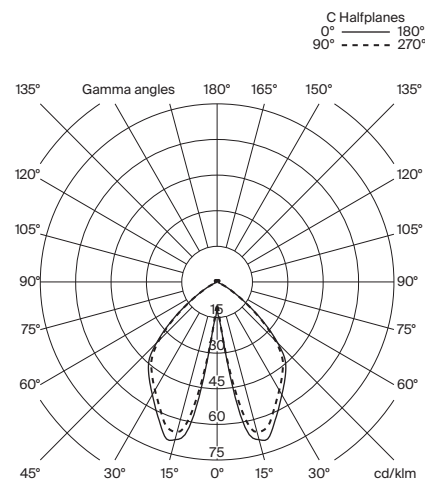

Luminous flux: 137 lm

Suitable only for indoor use.

Non-replaceable light source.

Input voltage: 100 ~ 240 Vac.

(50 Hz / 60 Hz). According to destination.
