

VL 45 RADIOHUS PORTABLE LAMP

The fixture provides uniform, general and diffused illumination. The quality of the glass ensures that the fixture is evenly lit.

Vilhelm Lauritzen

Vilhelm Lauritzen (1894–1984) is one of the most significant architects in the history of Denmark; he was the trail-blazing figurehead of Danish functionalism. A number of his buildings – Nørrebro Theatre (1931–32), Daells Varehus department store (1928–35), Radiohuset (1936–41) and the first airport built in Kastrup (1937–39) – represented the concentrated essence of contemporary life.

Product info
