

CANNA NUDA METALLO PENDANT

Piero Castiglioni & Roberto Menghi

Canna Nuda is a project that explores the diffusion of light through the use of cylinders in the sandblasted glass version, the spot lighting in the metal one, and the orientation in the ceiling variant. A collection that represents a synthesis between harmonious forms and versatile use.

3000K

LAMPING

Source	LED board
Total power	6,2W
Emission	spot light
Tension	110-240V
Color temperature	3000K
