

FIX

Resulting from a constant research on essential shapes and a project to miniaturise the components, Fix represents the harmonious link between space and light: clean lines, compact dimensions and a new optical system housed in a square die-cast aluminium silhouette. A double light beam of 100° emphasises light control through a very delicate and natural approach.

WALL

LAMPING

Source	LED board
Total power	2x6W
Emission	direct/indirect
Switching	dimmable TRIAC
Tension	230V
Color temperature	2700K
Luminous flux	2x380lm
Typ CRI	85
IP class	20
Dimensions	10x9,6x3
Materials	aluminium
Notes	available also in 120V. Suggested dimmer: TECNEL TE7636 (dimming range: from ~45% to 100%)
Net lamp weight	0,6 kg
