VIBIA

Design By Ichiro Iwasaki

Closer combines texture, lightness and warmth in a luminaire that naturally connects indoor and outdoor spaces. Its shade embraces the light, creating serene and enveloping atmospheres, ideal for shared moments.

Available in natural tones, its suspended design conveys a fluid, lightweight presence that integrates harmoniously into any setting, bringing balance between material and light.

Model Sheet

Optional : Extra cable length

Finish	 56 Green D1 test ral
	 25 Beige D1 test ral
	 37 Terra Red NCS S 4040-Y70R
LED	2700 K
Control	PUSH / CASAMBI / DALI
